

BELFAST & DISTRICT TENNIS LEAGUES AUTUMN LEAGUES 2020

The Executive have decided to try and run an Autumn League starting early September 2020. Due to the uncertainty around Covid and government having to make changes in guidelines at short notice, it has been decided that there will be no entrance fee for these leagues this year. Please however only make an entry if your club is certain they wish to take part!

Due to the ongoing Covid 19 Pandemic we would ask all players to familiarise themselves with the 'Tennis Ireland Covid Guidelines'.

In addition, we would ask players to come changed to the match so that they are ready to play without using changing rooms.

There should be no refreshments provided by the home club, therefore players should bring their own drink and snacks.

Players should also bring hand sanitiser with them and have it available to use on court.

Names of players need to be supplied to home club for track and trace information.

Entries should be returned by email to stephen@bndtennis.net

The entry forms can be downloaded from the league website.
